

DESIGN & BRANDING GUIDELINES

BeeSuite

Powered by WARUNA

BeeSuite is iconic and distinct by the name. The logo symbolized strength in unity, disciplines and part of WARUNA. It serves as an essential icon that helps users and clients clarify our identity. Its continued effectiveness depends on consistent use across all our marketing communications, in advertising, on social media and web, and on our products and packaging.

These guidelines provide a flexible and comprehensive design system that can accommodate creative application towards the use of BeeSuite Logo across a range of visual expression. In legacy, preferred or supplemental uses, the logo works across all media while maintaining the brand consistency and reinforcing recognition across every users and clients touchpoint.

The Logo Conceptualization

Bee body while flying
resembles Waruna
Logo Identity

Powered by WARUNA

Logo are crafted with shape of bee flying fast, with its body depicting Waruna Logo Identity. Cream to Pink gradient color to represent fascination and creativity, while dark purple still represents the identity of Waruna.

Icon Only

BeeSuite

Text Only

A variation of logos for BeeSuite whether it is a full logo, icons, or even text only can be used and adapt to work across fitted media. The style you choose will depend on the environment in which the logo appears.

Clear Space

Give it space. To preserve integrity and visual impact of BeeSuite logo, always maintain adequate clear space around it. The clear space around the logo is an integral part of its design, and ensures the logo can be seen quickly, uncluttered by other logos, symbols, artwork, or text.
